Amends the Minimum Wage Law. Increases the minimum wage from \$8.25 to \$9.00 beginning July 1, 2015 and increases it by \$0.50 each July 1 until July 1, 2019, at which point the minimum wage will be \$11.00. Provides that the establishment of a minimum wage that employers must pay their employees is an exclusive power and function of the State and is a denial and limitation of the home rule powers and functions, except that the limitation on home rule powers does not apply to a specified ordinance adopted by the City Council of City of Chicago. Amends the Illinois Income Tax Act. Creates a credit against the withholding tax liability of employers with fewer than 50 employees, calculated based on the increase in the minimum wage. New Act

Creates the High School State Tournaments, Competitions, and Fairness Act. Provides that the Act applies to competitions run by any person, corporation, organization, or association in this State purporting to award a State championship, State title, or the like and involving the publicly funded high schools of this State. In competitions, prohibits distinctions between schools based on race, religion, creed, or nation of origin. Prohibits barring parochial, private, charter, and magnet schools from competition or placing them at a competitive disadvantage. Provides that no publicly funded high school may participate in any State tournament or State title competition if the organizer seeks by use of a multiplier or like device to move any school that has selective enrollment based upon entrance exam scores into a higher class. Allows a tournament organizer to organize classes based on the actual number of students attending a school.

Provides that the Department of Healthcare and Family Services shall, within a reasonable period of time after relevant data from managed care entities has been collected and analyzed, but no earlier than January 1, 2017, develop and implement within each enrollment region an algorithm that takes into account quality scores and other operational proficiency criteria developed, defined, and adopted by the Department, to automatically assign Medicaid enrollees served under the Family Health Plan and the Integrated Care Program and those Medicaid enrollees eligible for medical assistance pursuant to the Patient Protection and

Services access to mandatory Medicaid managed care. Provides that services delivered by facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 shall be a covered Medicaid service for eligible Medicaid enrollees; and that the Department shall ensure that all residents of facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 who are eligible for Medicaid are enrolled in Medicaid managed care. Requires the Department to, by January 1, 2016, make available on its website a managed care policy manual for providers that must be updated no less than annually. In a provision concerning certain annual assessments on inpatient services, provides that in lieu of a reduction in the reimbursement rates paid to hospitals, for State fiscal year 2016, the amount of \$218.38 used to calculate a specified assessment shall, by emergency rule, be increased by a uniform percentage to generate \$20,250,000 annually in the aggregate from all hospitals subject to the annual assessment. Makes other changes to provisions concerning hospital access payments; the aggregate amount of all increased capitation payments to managed care organizations (MCOs); adjustments to the capitation payments made to MCOs for adults eligible for medical assistance pursuant to the Affordable Care Act; and emergency rules. In a provision concerning an annual assessment imposed on supportive living facilities, provides that the Department must contest the interpretation of federal regulations on permissible provider taxes made by the federal Centers for Medicare and Medicaid Services as stated in correspondence dated January 20, 2015 and that the Department shall submit a report to the General Assembly no later than January 1, 2016 detailing all actions taken. In a provision concerning the Inspector General, provides that the Office of Inspector General must realign its resources toward activities with the greatest potential to reduce or avoid unnecessary, wasteful, or fraudulent expenditures. Changes a provision concerning the recoupment of advance payments made to nursing facilities with significant outstanding Medicaid liability. Adds a provision concerning temporary medical assistance coverage for long-term care services when an individual's application for such services is not timely processed under State and federal law and the individual did not cause the delay. Adds a provision requiring the Department to convene a working group in consultation with the Office of the Governor to discuss the development of a revised proposal for the research and demonstration project waiver proposal submitted to the U.S. Department of Health and Human Services on June 4, 2014. Makes changes to a provision concerning payments authorized under the Illinois Administrative Code and initially paid out to hospitals in State fiscal year 2015. Provides that the Governor's Office shall direct the Department of Healthcare and Family Services, in conjunction with other specified agencies, to initiate a review of all case management, care coordination programs, and public health programs for potential duplication of services; that each agency shall provide the Department with a copy of its internal review by October 1, 2015; that the Department shall provide the Governor and the General Assembly with a report of its findings by January 1, 2016; and that if duplicative services are identified, the Department shall work in conjunction with the agencies providing duplicative services to develop a policy or policies to ensure efficient expenditure of State resources, to be completed by December 31, 2016. 225 ILCS 725/6 from Ch. 96 1/2, par. 5409

Amends the Illinois Oil and Gas Act. Establishes the criteria that the Department of Natural Resources may consider when making a determination that the oil and gas leases submitted with an application for a permit or transfer of a permit for a well are operative and that prior oil and gas leases covering the same lands have terminated due to non-development or non-production under the current permittee. Provides that the Department may rely upon affidavits of non-development and non-production from individuals familiar with the history of development and production of such lands in addition to other evidence. Requires that such testimony and evidence create a rebuttable presumption that there has been no development or production of oil or gas on the lands described in the prior leases for at least 24 consecutive months subsequent to the expiration of the primary term or any extension of the primary term as set forth in the leases. Further provides that a court order or judgment declaring the prior leases terminated is not required, except in extraordinary circumstances where such a determination cannot reasonably be concluded from the testimony and evidence submitted to the Department. Provides that, upon the Department's determination of a rebuttable presumption, the Department shall provide the current permittee with notice and a 30-day opportunity to request a hearing to rebut the presumption before a final determination on a lease is made. Further provides that, upon the Department's determination of a rebuttable presumption, if the applicant is not requesting a transfer of any existing permit, but is requesting a new permit, the permit shall be issued to the applicant. Provides that any determination made by the Department shall not diminish the rights or obligations of any current permittee of a well that are otherwise provided by statute or regulation of the Department. Further provides that any request for a determination by the Department or any subsequent hearing requires the payment of a nonrefundable fee of \$1000. Requires that the Department make a determination on a lease no later than 90 days after the Department's receipt of a valid request for a determination. Effective immediately.

 745 ILCS 70/6.2 new
 745 ILCS 70/7 from Ch. 111 1/2, par. 5307
 745 ILCS 70/9 from Ch. 111 1/2, par. 5309

Amends the Health Care Right of Conscience Act. Makes changes in the Section concerning findings and policy. Defines "access to care and information protocols" and "material information". Provides that notwithstanding any other law, a health care facility, or any physician or health care personnel working in the facility, may refuse to permit, perform, assist in, counsel about, suggest, recommend, refer for, or participate in health care services because of a conscience-based objection only if the refusal occurs in accordance with written access to care and information protocols designed to ensure that (1) the patient receives material information in a timely fashion; and (2) the refusal will not impair the patient's health by causing delay of or inability to access the refused health care service. Provides that nothing in the Act shall be construed to prevent a health care facility from requiring that physicians or health care personnel working in the facility comply with access to care and information protocols. Makes other changes in Sections concerning: (i) discrimination by employers or institutions; and (ii) liability.

SENATE COMMITTEE AMENDMENT NO. 2

Makes a change in the Section concerning findings and policy. Provides that the amendatory provisions are applicable notwithstanding other provisions of the Health Care Right of Conscience Act or any other law (rather than "notwithstanding any other law").

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

745 ILCS 70/7

Adds reference to:

745 ILCS 70/6

from Ch. 111 1/2, par. 5306

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, but with the following changes: In a provision defining terms: (i) removes the terms "access to care and information protocols" and "material information" and their corresponding definitions; and (ii) defines "undue delay" as unreasonable delay that causes impairment of the patient's health. Makes changes to a provision concerning the duty of physicians and other health care personnel. Removes a provision concerning the duty to enact and comply with access to care and information protocols and instead provides that all health care facilities shall adopt written access to care and information protocols that are designed to ensure that conscience-based objections do not cause impairment of patients' health and that explain how conscience-based objections will be addressed in a timely manner to facilitate patient health care services. Provides that certain protections under the Act only apply if conscience-based refusals occur in accordance with these protocols. Provides that the protocols must, at a minimum, address certain matters. Removes changes made to a provision concerning discrimination by employers or institutions. Adds a January 1, 2016 effective date.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

Does not create a State mandate.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with SB 1564. The bill would have no fiscal or population impact on the Department of Corrections.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in SB 1564; therefore, there are no appraisals to be filed.

PENSION NOTE (Government Forecasting & Accountability)

SB 1564 will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 1564 as Engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will not have a fiscal impact to the State.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (Dept. of Public Health)

SB 1564 has zero fiscal impact on the Department of Public Health.

FISCAL NOTE (Dept. of Healthcare & Family Services)

It is unclear if the passage of SB 1564 would jeopardize federal funding for the Illinois Medical Assistance Program. The Church Amendment codified at 42 U.S.C. § 300a-7, stipulates that for healthcare services funded in whole or in part by a program administered by the U.S. Department of Health and Human Services (HHS), no person may be required to "perform or assist in the performance of any sterilization procedure or abortion if his performance or assistance in the performance of such procedure or abortion would be contrary to his religious beliefs or moral convictions." The requirement in SB 1564 that the provider refer individuals to other providers who perform the procedure, especially if abortion or sterilization, violates the Church amendment; such referral could be interpreted as assistance with a morally objectionable procedure.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOUSE FLOOR AMENDMENT NO. 1

Removes the effective date Section.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1564 as amended by HA1; therefore, there are no appraisals to be filed.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept of Corrections)

There are no penalty enhancements associated with SB 1564 HA#1. The bill would have no fiscal or population impact on the Department.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government

Forecasting & Accountability)

Would not affect the affect the level of State indebtedness.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

SB 1564 will not impact any public pension fund or retirement system in Illinois.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

This bill will not have a fiscal impact to the State.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Public Health)

SB 1564 has zero fiscal impact on the Department of Public Health.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Replaces everything after the enacting clause. Amends the Cigarette Tax Act, the Tobacco Products Tax Act of 1995, and the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act. In provisions concerning training programs conducted by

retailers to facilitate compliance with minimum-age tobacco laws, provides that the training may be conducted electronically. Provides that each employee who completes the training program shall sign a form attesting that the employee has received and completed tobacco training. Removes a requirement that the training program must explain the penalties that a clerk and retailer are subject to for violations of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act. Provides that sales invoices issued by licensed distributors to retailers are not required to contain the distributor's Tobacco Products License number if the distributor has received a waiver from the Department of Revenue. Contains provisions concerning rulemaking.

New Act

5 ILCS 80/4.31

Creates the Plastic Bag and Film Recycling Act. Requires manufacturers of plastic carryout bags to register with the Illinois Environmental Protection Agency and pay to the Agency an initial registration fee and annual registration renewal fee. Prohibits a manufacturer from selling or offering to sell plastic carryout bag in the State unless the manufacturer is registered with the Agency and its name is printed on the plastic carryout bags it manufactures. Requires each manufacturer to develop, and submit to the Agency, a plan to support the collection and recycling of plastic carryout bags and plastic film product wrap. Prohibits retailers from purchasing plastic carryout bags from manufacturers under certain circumstances. Sets forth duties of the Agency. Creates penalties for violations of the Act. Encourages manufacturers to include recycled content in the plastic carryout bags that they produce. Requires certain reports to be filed with the General Assembly. Makes the Act inapplicable in units of local government with a population of over 2,000,000. Specifies that the Plastic Bag and Film Recycling Act controls in the event of a conflict with another Act. Denies home rule powers. Amends the Regulatory Sunset Act to provide for the repeal of the Plastic Bag and Film Recycling Act on October 1, 2017. Effective immediately.

705 ILCS 405/5-745

Amends the Juvenile Court Act of 1987. Provides that the Department of Juvenile Justice shall file a critical incident report with the court within 10 days of the occurrence of a critical incident involving a youth committed to the Department. Provides that critical incidents are incidents that involve a serious risk to the life, health, or wellbeing of the youth, including, but not limited to, accidents or suicide attempts resulting in serious bodily harm or hospitalization, psychiatric hospitalization, alleged or suspected abuse, or escape or attempted escape from custody. Provides that the report shall contain a brief description of the incident, a summary of the actions the Department took as a result of the incident, and relevant information regarding the youth's current physical, mental, and emotional health. Provides that if the minor is in the physical custody of the Department of Juvenile Justice, the Department shall file updated case plans with the court every 6 months.

HOUSE COMMITTEE AMENDMENT NO. 1

Eliminates provision that a guardian or legal custodian appointed by the court under the Act shall file updated case plans with the court every 6 months. Provides that commitments to the Department of Juvenile Justice are indeterminate commitments, with time in a Department of Juvenile Justice facility intended to be a last resort for as short a time as possible. Provides that the Department of Juvenile Justice shall file a written report with the court when a minor who has been committed to the Department: (A) is in a Department of Juvenile Justice facility solely because the agency cannot find a placement for the minor, or (B) is in a Department of Juvenile Justice facility for over one year. Provides that when the minor has been in the custody of the Department of Juvenile Justice for more than a year, but is not in a Department facility solely because the agency cannot find a placement for the minor, the initial report shall be filed on the later of the following dates: (i) March 1, 2016 or (ii) the 13 month anniversary of the court order placing the minor in the custody of the Department; and supplemental reports shall be filed every 6 months thereafter. Provides that the report shall include the individual placement plan for the minor, as well as a detailed report of services and planning provided by the Department, and the steps the Department is taking to place the minor in a less restrictive setting. Provides that a copy of the report shall be provided to the minor's parents and guardian, if the Department has a record of the address of the parents and guardian. Provides that a copy of the report shall be provided to the minor's guardian ad litem and attorney. Provides that upon receipt of the report, the court shall review the report and determine whether a hearing would serve the minor's best interests. Provides that the minor's parents or guardian or attorney may request that the court conduct a hearing. Provides that the decision as to

whether a hearing is to be conducted shall be in the sound discretion of the court. Notice of the hearing shall be provided to the Director of Juvenile Justice and the minor's parent and guardian and attorney. Provides that if the court determines that a hearing would serve the minor's best interests and the minor does not have an attorney, an attorney shall be appointed for the minor. Provides that if after receiving evidence, the court determines that the services contained in the placement plan are not reasonably calculated to prepare the minor for reentry into the community, the court shall put into writing the factual basis supporting the determination and enter specific findings based on the evidence. Provides that the court also shall enter an order for the Department to develop and implement a new placement plan or to implement changes in the current placement plan consistent with the court's findings. Provides that the new placement plan shall be filed with the court and served on all parties within 45 days of the order. Provides that the court shall continue the matter until the new placement plan is filed.

New Act

30 ILCS 105/5.866 new

Creates the Family Leave Insurance Program Act. Requires the Department of Labor to establish and administer a Family Leave Insurance Program that provides family leave insurance benefits to eligible employees who take unpaid family leave to care for a newborn child, a newly adopted or newly placed foster child, or a family member with a serious health condition. Sets forth eligibility requirements for benefits under the Act including that the employee must (i) establish that he or she has been employed for at least 680 hours in employment during the employee's qualifying year and (ii) document that he or she has provided the employer with written notice of the employee's intention to take family leave. Defines "employer" to mean (a) any person, partnership, corporation, association, or other business entity that employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the year in which the leave is to be taken or in the year immediately preceding the year in which the leave is to be taken; and (b) the State of Illinois and any other unit of local government. Contains provisions concerning disqualification from benefits; premium payments; the amount and duration of benefits; the recovery of erroneous payments; hearings; defaulted premium payments; elective coverage; employment protection; coordination of family leave; defined terms; and other matters. Amends the State Finance Act. Creates the Family Leave Insurance Account Fund.

HOUSE COMMITTEE AMENDMENT NO. 3

Excludes the State from the scope to the term "employer". Provides for the Act to be administered by only the Department of Employment Security.

STATE MANDATES FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3
(Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 3 (Dept. of Employment Security)

Initial Start-Up Costs: Estimated at \$75 million to \$100 million, based on startup experience of our IBIS (Illinois Benefit Information System) which serves as the Illinois Department of Employment Security's benefit management platform for unemployment insurance. IBIS took multiple years to set up at a total cost of \$125 million. It would be reasonable to expect a similar time frame for the UI-like benefit aspect of the FLIP program. Unlike the prior IBIS work, however, development of FLIP would also entail a revenue collection component. Cost incurred would also include the efforts of an estimated 5 to 10 full-time equivalents for the creation and establishment of rules, policies, procedures, etc. for reporting, claims-taking, adjudication and appeals. Ongoing Costs: Expected to be at least \$46 million annually. Roughly 400 full time equivalents would be needed to administer the program, based on the staffing levels for similar programs as reported by New Jersey and California. The vast majority of the ongoing costs would be for the salary, benefits and administrative overhead for these positions. A significant amount of these costs (\$6 million) are the estimated annual system-related costs. Two other cost categories of significance that are NOT included above are the costs of any new equipment and the postage costs for the program. Specific cost estimates for those components are difficult to estimate without a more specific program structure.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 4 (Dept. of Commerce & Economic Opportunity)

Does not create a State Mandate under the State Mandates Act.

105 ILCS 5/2-3.64a-5

Amends the School Code. With respect to the administration of State assessments, provides

that a student is not required to take a particular State assessment if that student's parent or guardian requests, in writing, that the student be excused from taking the State assessment. Requires the State Board of Education, by rule, to (i) determine the form of the request, (ii) ensure that no student, teacher, school, or school district is negatively impacted, through grades or evaluations, due to a student being excused from taking a State assessment, and (iii) ensure that students who are excused from taking a State assessment are offered supervised instructional or enrichment opportunities during the time the State assessment is being administered. Effective immediately.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE (State Board of Education)

HB 306 will have a minimal fiscal impact to the State. Cost may include but are not limited to: staff time to develop a form, promulgate rules, and ensure that students who are excused are offered supervised instructional or enrichment opportunities. The legislation may cause the State to lose over \$1 billion in federal funds if less than 95% of students participate in State assessments.

PENSION NOTE (Government Forecasting & Accountability)

There is no discernible fiscal impact of any pension system associated with HB 306.

BALANCED BUDGET NOTE (Office of Management and Budget)

This bill will have minimal impact to the State of Illinois. There could be a potential loss in federal funds by not meeting certain requirements through State assessments.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes. Requires the State Board of Education to ensure that the State Board, regional superintendents of schools, and school boards take no negative action against a student, school, school district, or district employee (rather than ensuring that no student, teacher, school, or school district is negatively impacted), through grades or evaluations, due to a student being excused from taking a State assessment. Provides that once each school year, before any State assessments are administered, a school district shall communicate with the parents and guardians of students to explain the right to opt out of a particular State assessment and shall make opt-out forms available. Provides that neither the school district, nor any teacher or school in the district, may issue additional official correspondence to students or their parents or guardians about the right to opt out. Requires a school district to accept any letter expressing a parent's or guardian's intent for his or her child to be excused from taking a particular State assessment in lieu of the opt-out form as long as the letter is signed by the parent or guardian. Prohibits a school district and its teachers, principals, and other administrators from encouraging or discouraging students or their parents or guardians, either individually or collectively, to opt out of State assessments. Requires the State Board to determine appropriate sanctions for a violation of this prohibition. Effective immediately.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept of Corrections)

There are no penalty enhancements associated with this bill. The bill would have no fiscal or population impact on the Department of Corrections.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 306 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 306 (H-AM 2) will not impact any public pension fund or retirement system in Illinois.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

This bill will have a minimal impact to the State of Illinois. There could be a potential loss in federal funds by not meeting certain requirements through State assessments.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois State Board of Education)

HB 306 (H-AM 2) will have an unknown fiscal impact to the State. Costs may include but are not limited to: staff time to develop a form, promulgate rules, and ensure that students who are excused are offered supervised instructional or enrichment opportunities and costs associated with enforcement and monitoring of the requirements. School districts will incur costs for supervision of students that opt-out and for providing supervised instruction and enrichment opportunities. Additionally, the legislation may cause the State to lose over \$1 billion in federal funds if less than 95% of students participate in State assessments.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HOME RULE NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Commerce & Economic Opportunity)

Does not pre-empt home rule authority

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Transportation)

No land conveyances are included in HB306 HA2; therefore, there are no appraisals to be filed.

105 ILCS 5/27A-9

Amends the Charter Schools Law of the School Code. Removes provisions allowing the State Charter School Commission to reverse a school board's decision to deny, revoke, or not renew a charter; makes related changes. In a provision concerning a charter school proposed to

be jointly authorized by 2 or more school districts and the school boards unanimously denying the charter school proposal with a statement that the school boards are not opposed to the charter school, but that they yield to the Commission in light of the complexities of joint administration, allows the charter applicant to submit the proposal to the Commission and requires the Commission to follow the same process and be subject to the same timelines for review as a school board.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill as introduced, with the following changes. Provides that if a charter school applicant submits a proposal to a school board outside of the process adopted by that school board for receiving charter school proposals on an annual basis, the applicant shall not have any right to submit its proposal to the State Charter School Commission as otherwise authorized. Allows the Commission to approve a charter school proposal or application for a charter if certain conditions are met. Provide that the Commission may condition approval of an application on the acceptance of funding in an amount less than requested. Provides that final decisions of the Commission are subject to judicial review under the Administrative Review Law. Provides that if the Commission approves an application for a charter, then the Commission shall act as the authorized chartering entity. Provides that if the Commission is the authorized chartering entity, then the Commission shall execute a charter agreement (instead of approve the charter agreement). Provides that the Commission has no authority to approve a charter school proposal that has been denied by a school board. Adds an immediate effective date.
